

Sports Life has 20 print images of the White Sox's. A full catalog is being prepared and will be published soon. There're three sizes: 8x10, 11x14, 13x19.

Our printing process is a technique using archival watercolor paper and eight different ink colors. This technology gives us unrivaled color and clarity. It has a print life between 100 to 200 years, if properly handled.

Great prints for the office and man cave.
